

## *EVEREST Climbing Beyond Our Limits*

-by *Lori Schneider*

### *EVEREST Climbing Beyond Our Limits*

This beautiful hard cover book shares Lori's story of scaling Mt. Everest, the world's highest peak, becoming the first person in the world with Multiple Sclerosis to do so. It includes spectacular photos from her Everest climb, as well as personal journal entries that will awaken the adventurer inside us all. Lori's message reminds us that if we believe, we can achieve!

Hard Cover 8X11 Autographed Limited Edition \$30  
Each book is inscribed with a special message from Janesville native,  
Lori Schneider
